

## P2P M1 S4 SESSION PLAN

### MODULE 1: INTRODUCING PEER SUPPORT: Understanding recovery and peer support.

We highly recommend that each potential participant completed the Preparing for P2P Module prior to this Module.

This module is designed as the foundation stone for the wider Peer2Peer Programme. It introduces the concept of a safe and confidential learning environment, as well as exploring the roles of the key partners in the programme.

Prior to delivering this Module we suggest you read the Mini Knowledge and work through the Workbook for Participants.

This session is 120minutes and the times start at zero, enabling you to put your times in whilst understanding the expected lengths of each component. Timings are a guide, based on experience and enough pace to inject energy. No more than 10 people. This can be delivered in person or online.

### SESSION 4: DESCRIBE THE CONCEPT OF RECOVERY AS AN ENABLING MINDSET

SESSION	RESOURCES	GUIDANCE
00.00-00.05 Welcome	S1	<p>Have the opening slide on the screen.</p> <p>Welcome participants when they arrive, make everyone feel comfortable, use people's names and thank them for coming. Ask them to go around and introduce themselves and share a word about how they feel about being in the session.</p> <p><b>5 minutes</b></p>
00.05-00.15	S2/S3	<p><b>S2</b> Explain that every session will have learning intentions, participants should have seen these in the Workbook where they will have completed some pre-work before they arrive. Learning Intentions help everyone see the direction of travel and how it fits into the overall Module.</p> <p><b>S3</b> Share the slide as a starting point for agreeing the components of an empowering and safe learning environment. The points show how CHIME can be used to support this. Whilst some may not have come across CHIME at this point, just explain it's a framework used in peer support and that you are using it to set the boundaries for the session.</p> <p><b>About 5 minutes for these two slides.</b></p> <p>Next ask them, what they think about <b>S3</b> and if there is anything they would like to add and record this on a flipchart. After the session add any additions to the slide for every session you complete with this group. Appreciate this may mean you are changing this slide multiple times based on how you chose to use these resources. No more than <b>5 minutes</b>.</p>
